We are a community handbell choir, made up of auditioned members from several age groups and Christian denominations. We are based in the Parkersburg, West Virginia / Marietta, Ohio area.

**Our goals are to
delight the audience,
inspire other handbell ringers,
and to have fun!**

We'd like to acknowledge the Wayside United Methodist Church, Vienna, WV for the use their van, instruments and rehearsal space.

We also need to thank Schulmerich Bells for their ongoing support of the Mid-Ohio Valley Ringers. They are responsive to our needs and generous with their support.

We also consider B&Y Music of Rocky River, Ohio as special friends and supporters.
